

Spend a day on Jurien Bay Time

AN EXAMPLE ITINERARY FOR A FUN-FILLED DAY IN JURIEN BAY

MORNING

Head to the **Jetty**! Jurien Bay's most iconic meeting point. Here you can start your day with a paddle on the pristine waters. Hire a **stand up paddle board** from Jurien Bay Adventure Tours.

Or perhaps you'd rather submerge yourself in the turquoise water. Hire a **snorkel and cruise over the snorkel trail**. Located just off shore, the trail is suitable for children and is a great way to experience the underwater landscape. The morning would not be complete without **coffee**. Grab yours from Jurien Jetty Cafe located at, you guessed it, the jetty.

NOON

Take a dive of a different kind! Get your adrenaline going with a skydive that lands on the beach. **Skydive Jurien Bay** offer single and tandem jumps over the picturesque Jurien Bay coastline.

If you'd prefer to be a bit more grounded, hire a **Segway** and easily cover some ground as you make the most of the Turquoise Way trail, which follows the coast for 6.5 kilometres. Segways can be hired from Dobbyn Park near the Jetty.

By now you would have worked up an appetite. Time to head to **Bay Bakery**, for the best pies and sweet baked goods. You can find the bakery on Roberts Road.

AFTERNOON

Jump in the car and head to **Mt Lesueur**. There is a beautiful scenic drive or if you fancy some more fresh air, take a leisurely 400 metre (return) stroll on the Botanical Path or if you still have energy to burn, then try the 4 kilometre (return) **climb up Mt Lesueur**.

Why not end the day with a traditional country town pub meal? Soak up the atmosphere at the local tavern and sit side by side with the locals. You'll be sure to walk away with some fishing tips and local knowledge for your next day in Jurien Bay. The **Sandpiper Tavern** also hosts a pizzeria.
